

EXPERIENCE THE DOCUMENTARY FIELD.

Career-focused.
THAT'S THE POINT.

M.A. IN MEDIA COMMUNICATION AT POINT PARK UNIVERSITY

DOCUMENTARY SPECIALIZATION

Enhance your career with an advanced degree in media communication, mastering all facets of documentary creation:

- Learn reporting skills and techniques in addition to production.
- Apply coursework from classes such as documentary photography, investigative reporting and multimedia production.
- Combine informative narrative with compelling video, using top video and audio equipment and technological booths for sound and film editing.
- Working with industry-experienced faculty, create documentaries with the opportunity for screening before an audience for feedback.

Financial aid available, including two graduate assistantships.
